

LAYER PELLETS

Suitable for laying hens and pullets.

Layer Pellets are a conveniently pelleted chook food which makes them perfect to use in poultry feed dispensers. They are easy to feed, and will provide chooks with a nutritionally balanced diet that they'll enjoy eating.

Layer Pellets are made from a wide selection of grains, meals, fibre, vitamins and minerals to keep your hens healthy and happy. Ingredients are sourced from within New Zealand where possible.
